1	The city is responsible for maintaining and pruning trees along power and communications lines that run in the alley. Often this has been neglected resulting in damage during trash collection. The solution is to appropriately trim the trees. Not shift trash collection.	11/27/2021 10:49 AM
2	Overhead utility lines in alley that attach to house taken down by truck arms.	11/12/2021 2:04 PM
3	Yes but it wasnt their fault.	11/11/2021 3:09 PM

1	Pickup is in the alley and we want it to remain that way.	11/27/2021 5:02 PM
2	Large items are occasionally skipped or left in our ally. When this occurs it is a problem as well as being unsightly. Since the shift in trash collection residences at the N and S ends of Clayton the bins have obstructed parking and interfered with street sweeping.	11/27/2021 10:49 AM
3	When pickup is in the alley the trash bins are all over the roadway on the side. When pickup is in the street the trash bins are in roadway (on side) or in tree lawns and flower beds.	11/12/2021 2:04 PM
4	Alley pickup	11/11/2021 7:39 PM

1	Luckily we can place our bins on 13th street for pickup and people generally don't park there currently. If parking gets more congested though, I foresee this being an issue.	11/28/2021 9:41 PM
2	Pickup is in the alley behind our house. If that changed there would be no room for the bins Because of the parked cars on our street.	11/27/2021 5:02 PM
3	See above. Large items are a particular problem.	11/27/2021 10:49 AM
4	Alley pick up	11/26/2021 5:49 PM
5	We are in alley, but when trying to find parking in other parts of neighborhood we do	11/22/2021 5:30 PM
6	I would if we moved the pick up to the street because our lot does not have off street parking (we live in an alley house). Think ADU's!	11/12/2021 2:04 PM
7	N/A	11/12/2021 10:29 AM
8	Pickup is in the alley, so not a problem.	11/11/2021 7:39 PM
9	In a way, we do: our collection location is across the alley from our house (we live west of the alley, trash is collected on the east side) and there's a row of several garages there. There's no other place to put our bins than in front of one garage or another, or blocking a walkway.	11/11/2021 7:02 PM

3	No snow yet. However, this is anticipated to be a problem with any snowfall > 4-6 inches.	11/27/2021 10:49 AM
4	Living in an alley house means the street is a city lot length away - lots of shoveling to get there! With house on the alley - trash bins move 4-5 feet.	11/12/2021 2:04 PM
5	N/A. Luckily we still have alley pickup.	11/12/2021 10:29 AM

1	These issues are not my biggest concern. I am more concerned about whether people will have a place to put there bins. With parking getting more and more difficult (especially on the blocks closer to Colfax), it will be hard for trash collection to operate among all the parked cars.	11/28/2021 9:41 PM
2	Yes, at the ends of the street.	11/27/2021 10:49 AM
3	Have you ever slipped on the open lid of a trash bin laying on the side.	11/12/2021 2:04 PM
